1. Review of the School Trustlands Plan
 - a) Goal 1 Fine Arts
 - i. Training by district arts specialists in the district GAINS program
 - ii. Student enrichment programs before, during, and after school. Hopefully we will be able to have more of this next year.
 - b) Goal 2 Math
 - i. Increase the number of students on grade level in grades 3-5
 - ii. Hopefully we can hire a math technician in the future
 - c) Goal 3 Reading
 - i. This is where we have had our most success
 - ii. Acadience Data was used to create action plans and identify student needs/
 - iii. Reading technicians: Tori Bennett is working with grades 1 and 2, Jill McKean is working with K, 3, and 4
2. Considerations to the plan
 - i. Are we meeting the needs of the school?
 - ii. Is there a possibility of adding our enrichment specialist program again in the future?
 - iii. What happens to unused money due to Covid restrictions and difficulty in hiring technicians?
3. Safe Technology and Digital Citizenship
 - i. White Ribbon Week: Positive classroom discussions, computers and library did parts of the week
 - ii. Nebo School District uses Content Keeper to filter websites, content, student searches. There are 3 different filtering thresholds: default, student use, and employee use
 - iii. The district has a management system available to monitor that is used for secondary school more than elementary.
